

**GLEN
ROCK 2022**

MAYOR'S MESSAGE

KRISTINE MORIEKO
kmorieko@glenrocknj.net

Dear Residents and Friends,
Over the past two years, we have collectively been challenged like never before. As a Borough we adapted, changed course, and made improvements to best serve the residents. As a community, we volunteered, cared for one another, and supported our local businesses. Thank you to those who continuously offer to help. Together, we have made tremendous progress against Covid-19.

As we enter 2022, I ask that you take a moment to reflect on all the blessings we have found within our community. As a family, we rediscovered the joys of bike riding, going

on walks, playing instruments, exploring the arboretum, and showing gratitude for those who make our community better. I urge you all to look within yourselves, find what carried you through and keep that with you as we enter better days.

We are so grateful for the Borough staff, GRPD, GRFD, GRVAC, DPW, Borough Government, and those selfless volunteers who keep Glen Rock a town to come home to.

Be kind and be generous with your compassion, take care of yourselves and each other.

Ever Forward,

Mayor Kristine Morieko

BOROUGH COUNCIL

AMY MARTIN
amartin@glenrocknj.net

ROBERT DILL
rdill@glenrocknj.net

The Borough Council consists of six members at large, each serving three-year terms. Each year, typically, two Council seats are up for election on a staggered basis. The Mayor serves a four-year term.

At the annual reorganization meeting, new Council members are sworn in, and Council Committees are appointed by the Mayor. Each Committee includes a Chair and two other Council Members and meets as necessary. Committee assignments can be found on the Borough website. In addition, Council Members act as liaisons to various Boards and Commissions established by the Borough.

The governing body typically meets on the second and fourth Wednesdays of each month for a Council Work

Session followed by a Council Meeting at Borough Hall. Both the Work Sessions and the Council Meetings are open to the public. The Council Work Sessions and the Council Meetings take place at Borough Hall. Please check the Borough website and weekly e-newsletter for information on how to participate and for updates.

The Mayor and Council welcome input from residents. Please make an appointment to meet, call, or email each member individually, or email the Mayor and entire Council at once using the group email mayorandcouncil@glenrocknj.net. Please note that correspondence to and from the governing body is generally subject to the Open Public Records Act.

Please check the Borough website and e-newsletter for updated information.

HELP GLEN ROCK REDUCE OUR TRASH

Help the environment and help manage our costs by reducing our consumption, reusing, donating, and recycling before putting it into the trash.

HOUSEHOLD REAR YARD GARBAGE COLLECTION

Regular pick up twice a week from the rear yards. Please check the website for schedule changes due to holidays or inclement weather. Pick up service includes all waste, animal, fish, fowl, fruit, and vegetable matter resulting from food consumption. See map for routes.

NORTH/WEST (NW) Route: Monday & Thursday

SOUTH/EAST (SE) Route: Tuesday & Friday

1. All material must be placed in a plastic bag in closed plastic or metal containers (no larger than 30 gallons) by 6:00 am on day of pick up.
2. Animal waste should be placed in heavy plastic bags and disposed of weekly.
3. Please advise the DPW (201-670-3980) if you change the location of your garbage containers.
4. In the event of snow or ice, residents are required to shovel a path to the location of their garbage containers to provide for safe access, or your garbage may not be picked up.
5. In the case of severe conditions, rear yard pick up may be changed to curbside pick up.

If your garbage pick up is missed, call the DPW at 201-670-3980 or email publicworks@glenrocknj.net.

CURBSIDE RUBBISH & METAL COLLECTION

Disposing Bulk Trash:

1. Monthly curbside pick up of bulky household materials such as appliances, furnishings, metal, and household equipment that cannot be disposed of in rear yard garbage collection. Many local and national organizations accept household furnishings and other items. Consider donating first, and check GREC website for a list of organizations: www.glenrocknj.net/GREC.
2. Rubbish and metal pick ups are on designated Wednesdays once a month, by residential area.
3. Separate rubbish and metal, and place at the curb after 7 pm Tuesday evening and before 6 am Wednesday morning. Items must be less than 4 feet in length.
4. Rubbish must be in plastic bags, bundled, or securely tied for easy handling and to prevent littering.
5. The Borough will not collect building and construction

materials, fire damaged materials, vehicular parts, and propane tanks.

6. Hazardous materials, including paint, household chemicals, and more can be disposed of several times a year via Bergen County Utilities Authority: www.bcua.org or 201-641-2552.

VEGETATIVE WASTE COMPOST FACILITY 350 DOREMUS AVE

1. Vegetative waste such as grass clippings, branches, etc. is accepted at the compost facility during operating hours, but is not picked up curbside except during "Spring Yard Clean Up" dates. Please see Borough website for additional information.
2. Woodchips and mulch are available for resident use for free, depending on availability.
3. Stickers for access to the compost facility are mailed to residents with their annual tax bills. Additional stickers may be obtained at Borough Hall.

LEAF COLLECTION

Leaves make excellent and FREE mulch, fertilizer, and compost, which can replace the use of inorganic fertilizer and toxic pesticides/herbicides on your lawns, and in your gardens. You can rake the leaves into a pile for composting, leave the leaves on your lawn, or mulch them with a mower. Consider these options first before gathering them to the street for Borough collection. Check GREC website under "Leaves and Lawns" for more information www.glenrocknj.net/GREC.

For leaves that cannot be composted or otherwise stored on your property, the Borough collects piles of leaves on streets in late autumn. **Please do not throw in other waste such as branches, pumpkins, mums, grass clippings into these piles, or plastic pots/bins. Updated schedule information on leaf collection can be found on the website.**

LAWN CARE & WATER CONSERVATION

1. Deep watering (1 inch of water per week) is sufficient to maintain a healthy lawn. In the summer, it is normal for grasses to go dormant and turn brown.

2. Automatic sprinkler watering by house number: odd-numbered addresses may water only on Tuesdays and Saturdays; even numbered addresses on Wednesdays and Sundays.
3. Watering using a handheld hose or drip irrigation is allowed on any day.
4. Please water during the cool times of day, before 10:00 am and after 6:00 pm, and not during rainfall.
5. More information on conserving water can be found at www.glenrocknj.net/grec.

PLANT MORE SHADE TREES

Residents may request a shade tree to be planted in front of their home. For more information and to request a tree, please fill out Tree Request Form under the Shade Tree Committee tab on www.glenrocknj.net.

WINTER WEATHER

During winter weather events, DPW works to clear roads as quickly as possible. We ask residents to clear fire hydrants near their homes to ensure access. In addition, residents must clear their sidewalks within 24 hours following the end of the storm.

POTHOLES

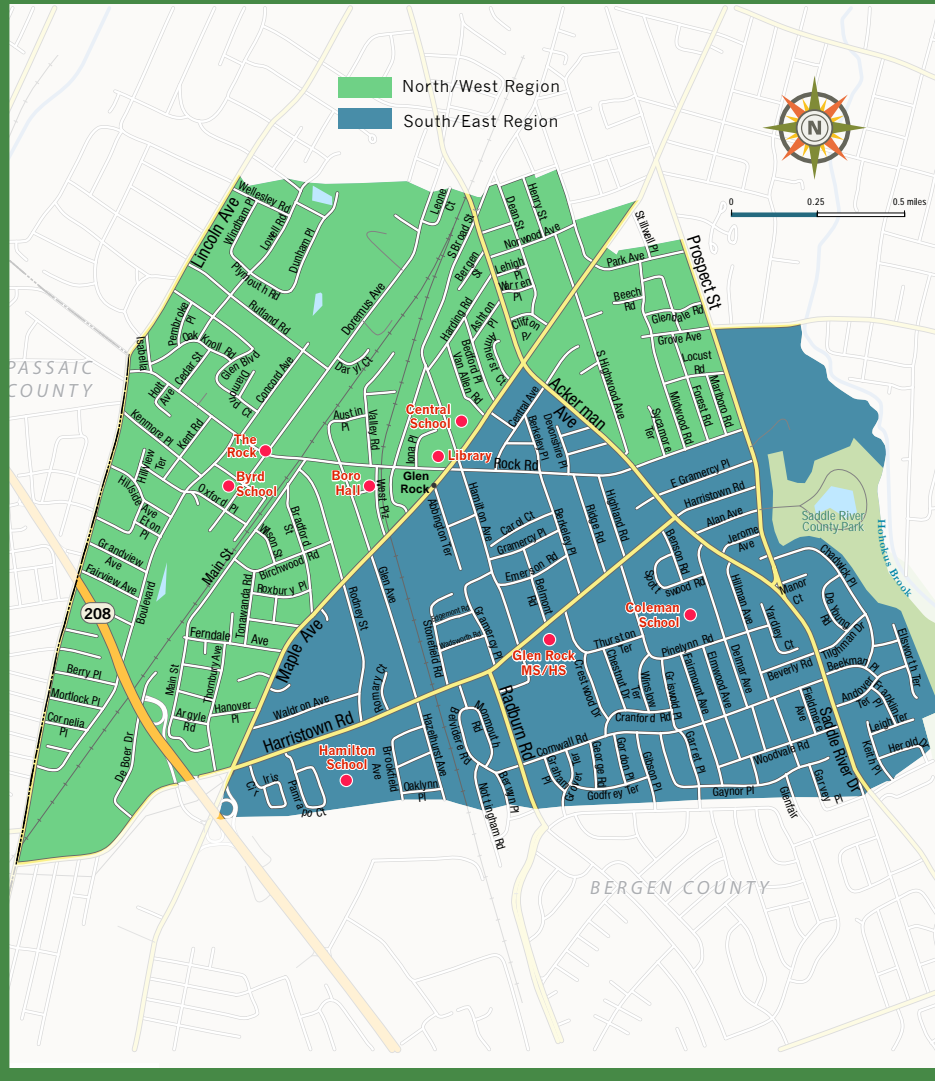

Report potholes for repair by calling DPW at 201-670-3980 or email: potholes@glenrocknj.net with the location.

BRING YOUR OWN REUSABLE BAGS & SHOP LOCAL!

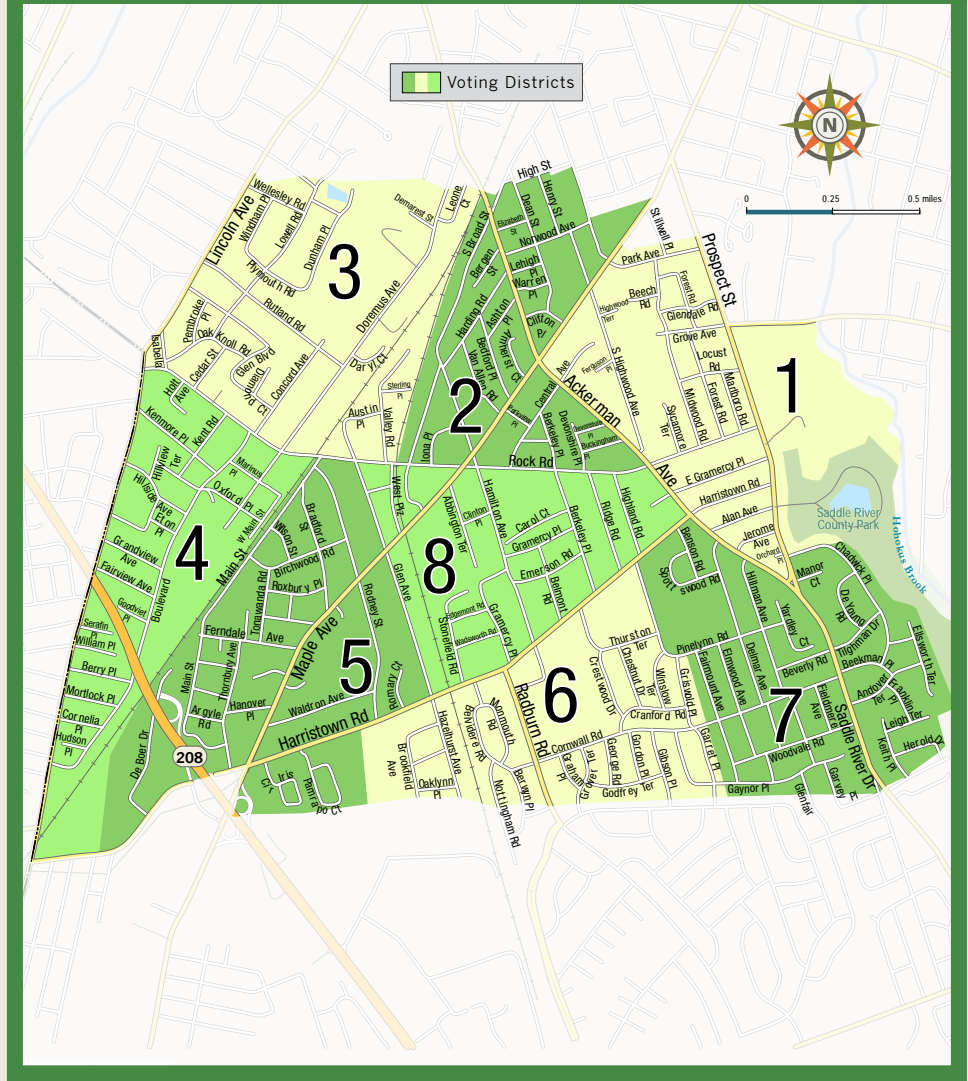

Plastic bag ordinance in effect Glen Rock businesses no longer provide single-use thin plastic bags at checkout and will charge a fee of at least 10 cents for any reusable or paper checkout bags that they provide. Small paper bags (such as for prescriptions) and thin plastic bags used within a store (such as produce bags) may still be provided for free. **After May 4, a new State law comes into effect, prohibiting stores from providing plastic carry-out bags, and prohibiting larger grocery stores from providing paper carry-out bags, even for a charge, and some other provisions as well.** More information is available at: www.glenrocknj.net/reduce_single_use_bags.
